Yes we had to redo the schedule. We are sorry about the confusion. If you have any problems from here out please see Susan Dille or Pam Scholl (depending on where you are serving).

A special thanks goes out to Tiffany who has taken on the special role of creating this massive schedule. If you know of anyone who can help serve in the nursery or Children's Church then please send them to Tiffany or Pastor Steve.

Thank you for serving in this awesome ministry of ministering to parents and their children. We couldn't do it without you!
